TRAINING OFFERING:
Library organisation and access
♦ Students take a walk-about tour of the library so that they are familiarised with the different departments and resources of the library.

Students learn how to
♦ create a UJlink password
♦ use the library website
♦ use the library’s electronic resources (including how to download e-books)
♦ use a call number to locate a book or periodical
♦ use the library’s classification system to physically or electronically browse for books on a specific topic.
